Recommendation on the choice of apartment The diversity residential market in the city of Ankeny today is simply amazing. There's lots of options of apartments, differing according to size and type of construction. Of course, if you are going to purchase a particular house every person, primarily focused on their financial capabilities. Especially when we are talking about it value for area. Apartment for sale. But there are some basic tips that will help avoid embarrassing mistakes and will allow you to take the most appropriate option. The first thing you should think about the location of the house, which is your chosen apartment. Better if it will be a landscaped area with a perfectly developed infrastructure. This means that in the vicinity there are all needed: shops, kindergartens, schools and other necessary for normal living places and institutions, as well as the possibility for free movement of vehicles. Well, if the area is situated as close as possible to your place of work. Of course, such improvement will affect the price. But it's worth it, because when you settle, you don't have to spend extra money, time and effort to do basic grocery shopping or take the kids to school on the other side of the city. Then, consider, what has priority for you. You want to totally new apartment, which you no one has ever lived? Or you required the so-called secondary? And that, and the other type there are both pluses and minuses. For example, apartments in new buildings will cost much less if you choose. But then you will not be able to immediately move in the future, you will need to spend on it further. The former in the use of the apartment usually offered for sale is renovated. This will allow you to Ankeny to move immediately after the signing of all documents. But the price of this will be a bigger. Selling apartment on Avito. Especially if the repair substantial and does not require further investment. And, of course, do not forget about personal wishes: your own and your family

members. If you have very young children, for a walk which need stroller, or live with you will be elderly and frail people, and there is no suitable lift - not worth it to take an

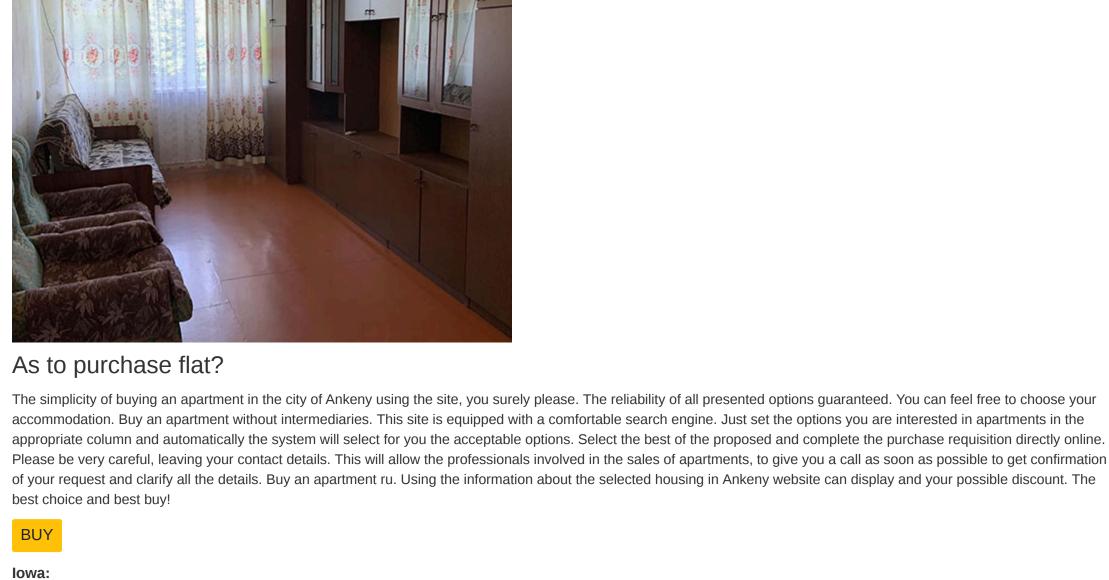

2. Express online purchase requisition with the exact information 3. Confirm the request by phone and pre - view housing

1. Select the acceptable variant

4. Carry out a prepayment fee before and after proper registration of all documentation

apartment on a high floor. And let the form of your it will be less attractive, but your family will be more conveniently!
